

Istruzioni di montaggio per tende a rullo giorno e notte con cassonetto

v1

SISTEMA CON CASSONETTO IN PVC
MONTAGGIO SULL'ANTA DELLA FINESTRA
(NON INVASIVO, INCOLLATO)

**v2**

SISTEMA CON CASSONETTO IN ALLUMINIO
MONTAGGIO SULL'ANTA DELLA FINESTRA
(AVVITATO)

**Avvertimento:**

Le cordicelle, catene e cinghie liberamente appese possono essere pericolose per i bambini piccoli. Questi elementi possono avvolgersi intorno al collo. Per evitare il rischio di strangolamento, raccomandiamo di tenerli fuori dalla portata dei bambini. Di conseguenza, lettini, culle e mobili devono essere tenuti lontani dai cordoni di controllo.
